# RECIPE FOR A PERFECT LINER

We start with a durable, beautifully imprinted vinyl sheet, treated with a process to resist bacteria, fungus and the ultraviolet rays of the sun.

Our team of designers employ the latest computer design tools combined with high tech robotic cutters to create a perfect fitting liner for your pool.

Skilled technicians using state of the art sealing equipment, join the components to form a single, complete liner made to fit your pool, perfectly.

The result is a beautiful pool liner with a friendly, smooth surface, durable and virtually maintenance free.

Backed by the best warranty in the business. Your new Vinyl Liner will enhance the look of your pool and backyard for many years to come.

# WEDDING CAKE STEPS

- Adds pizzazz to old and new pools
- Raised tread pattern for slip resistant finish
- Revolutionary clip system to secure liner to step for snug fit
- Easy to install, no need for concrete forms and messy concrete
- Molded shell makes for consistent liner installation and fit
- Totally non-corrosive, non-abrasive and non-stressfull
- Fits all vinyl liner pools - polymer, steel, wood, concrete and fibreglass

## Available in 8 Models

- 180° Straight
- 90° Square Corner
- 6" Radius Corner
- 2' Radius Corner
- 8'-6" Radius
- 9' Radius
- 10' Radius
- 11' Radius

Image Shown: 90° Square Corner

## VINYL OVERSTEP STANDARD

- Tile border with matching print floor

## OTHER OPTIONS

- Tile border with White Tread-Tex
- Tile border with Blue Tread-Tex

## TRADITIONAL WINTER COVERS

### Woven Covers:

- Strong and Durable
- Light weight
- Easy to install
- Protects pool liner from harmful UV rays over winter months
- Prevents dirt and debris from entering pool
- Keeps water clean till spring
- Standard or custom fitted sizes
- Equipped with sleeves to prevent tubes from rolling

### Water Tubes:

- Heavy-Duty tough construction
- Large valve for easy filling and draining

## LOCK-IN COVERS

Our Form-fitted winter cover snaps into your PERFORMANCE™ coping with ease, securing the entire circumference of your pool. There is no contact with the deck surface, so staining is impossible. The non-porous cover keeps your water sparkling all winter long.

**Your pool looks like a pool should all year long!**

# PERFORMANCE SAFETY COVERS

- Double decker edge
- Coping anti-rub strips
- UV resistant material
- Bio-Shade™ technology
- Solid cover with INVIS-A-DRAIN™
- 1" polypropylene webbing
- Interlocked, double overlap seams
- Heavy duty double-coil low profile springs standard on solid full weight covers
- Stainless steel low profile "D-Ring" springs available on all mesh covers
- Overlap D-Ring provides superior strength, longevity, and ease of installation
- Exceeds ASTM standards
- Custom non-corrosive hardware and brass anchors
- 15-Year Warranty

## BIO-SHADE

Durable long lasting polypropylene mesh material. No more standing water in the springtime for insects to breed, our mesh material allows water and snow to drain right through. *Available in green and blue.*

## PROTEX

The benefits of a solid cover, with the ease and handling of a mesh. ProTex safety covers are designed to allow water through for drainage and safety but keep sunlight and debris out. *Available in green only. Patent #6,886,187*

## LITEPRO

LitePro solid safety covers will block out all of the sun's rays, yet the new lightweight material allows for easy installation and removal. *Available in green and blue.*

## FULL-WEIGHT SOLID

A durable cover that comes standard with the INVIS-A-DRAIN™ system, keeping all the debris and sun's rays out, allowing only water to pass into your pool. *Available in green and blue.*

## Feet First

Packaged in each liner carton are "No Diving" labels; an owner's manual containing the current Association of Pool and Spa Professionals safety standards; maintenance and operating information; the APSP publication, a warranty card; and a weather resistant sign to be posted near your pool. "No Diving" signage must be installed on the coping around the perimeter of your pool. "Caution" signage also must be affixed to the steps. **KEEP YOUR EYE ON THE CHILDREN.** Continually supervise the swimmers in your pool. **USE THE SAFETY ROPE.** The safety rope and floats should be attached at all times. Any use of diving boards, diving equipment or slides must be in strict compliance with the equipment manufacturer's specifications, the Association of Pool and Spa Professionals standards, and local building codes and regulations. We recommend removal of such items that do not comply. Consult your dealer for sizes and specifications. Liner patterns and colour depicted in this brochure are representative of the actual liner material; however, variations in colour and shading may occur.

**NOTICE:** The manufacturer, Latham Splash makes only those representations which are stated in its written warranty. Any other representations, statements, or contracts made by the dealer and/or the contractor to the customer regarding any materials produced by the manufacturer are attributable to the dealer and/or contractor only. The dealer or contractor who sells or installs your pool is an independent contractor and not an agent or employee of the manufacturer.

The specification and design are subject to change without notice. The manufacturer maintains a policy of continuous improvement and therefore reserves the right to change the specifications without notice. Not all features shown and/or described are standard. Be sure features and equipment required are listed in the dealer's contracts.
